Action			
action/background/accent-selected	secondary/50 · #6EFF00	—	ALL_FILLS
action/background/alpha-light	alpha/light/10 · #FBF9FF1A	—	ALL_FILLS
action/background/alpha-light-hover	alpha/light/15 · #FBF9FF26	—	ALL_FILLS
action/background/alpha-light-pressed	alpha/light/20 · #FBF9FF33	—	ALL_FILLS
action/background/brand-selected	primary/50 · #8000FF	—	ALL_FILLS
action/background/danger	system/coral-red/50 · #FB3640	—	ALL_FILLS
action/background/danger-hover	system/coral-red/60 · #C43135	—	ALL_FILLS
action/background/danger-pressed	system/coral-red/60 · #C43135	—	ALL_FILLS
action/background/disabled	neutral/dark/70 · #1F202D	The background color for any interactive element in a disabled state.	ALL_FILLS
action/background/primary	primary/50 · #8000FF	Primary call-to-action surface background color.	ALL_FILLS
action/background/primary-hover	primary/60 · #6600CC	Primary call-to-action hover background color.	ALL_FILLS
action/background/primary-pressed	primary/60 · #6600CC	Primary call-to-action pressed surface background color.	ALL_FILLS
action/background/primary-selected	primary/50 · #8000FF	—	ALL_FILLS
action/background/primary-selected-dark	primary/90 · #26004C	Used in our League Chips variant selected state.	ALL_FILLS
action/background/secondary	neutral/dark/70 · #1F202D	The default background for secondary buttons.	ALL_FILLS
action/background/secondary-hover	neutral/dark/60 · #2C2C39	The background for secondary buttons in their hover state.	ALL_FILLS
action/background/secondary-pressed	neutral/dark/50 · #393945	The background for secondary buttons in their pressed state.	ALL_FILLS
action/background/secondary-selected	neutral/dark/50 · #393945	—	ALL_FILLS
action/background/selected	neutral/light/5 · #FBF9FF	—	ALL_FILLS
action/border/brand	primary/50 · #8000FF	—	ALL_SCOPES
action/border/focus	neutral/light/5 · #FBF9FF	A border or outline color used for focused interactive elements to ensure accessibility.	STROKE_COLOR, EFFECT_COLOR
action/foreground/link	system/sky-blue/50 · #00BFFF	The default color for hyperlink text.	ALL_FILLS
action/foreground/link-hover	system/sky-blue/50 · #00BFFF	The color for hyperlink text in its hover state.	ALL_FILLS
action/foreground/link-pressed	system/sky-blue/60 · #1D95C6	The color for hyperlink text in its pressed state.	ALL_FILLS
Background			
background/dynamic	system/selective-yellow/50 · #FFB80	—	ALL_FILLS
background/inverse	neutral/light/5 · #FBF9FF	Inverse background used for fills. Often represents selected containers that are not a part of our Action:	ALL_FILLS
background/overlay	alpha/dark/75 · #050614BF	Used for dark overlay/scrim	FRAME_FILL, SHAPE_FILL
background/page	neutral/dark/90 · #050614	Our global background color.	ALL_FILLS
background/pickem	primary/50 · #8000FF	Primary brand color, typically used once on a page for call-to-actions.	ALL_FILLS
background/pickem-dark	primary/90 · #26004C	—	ALL_FILLS
background/pickem-subtle	primary/30 · #B56EFF	—	ALL_FILLS
background/positive	secondary/50 · #6EFF00	—	ALL_FILLS
background/positive-subtle	secondary/20 · #C3FF9C	—	ALL_FILLS
background/primary	neutral/dark/80 · #121320	The primary background color of all containers that sit on our page background.	ALL_FILLS
background/quaternary	neutral/dark/50 · #393945	Fourth background container option with the starkest contrast of the Neutral/Dark group.	ALL_FILLS
background/secondary	neutral/dark/70 · #1F202D	A secondary background color, often used for nested components or contained sections to create visua	ALL_FILLS
background/tertiary	neutral/dark/60 · #2C2C39	A third-level background color for even deeper nesting or subtle differentiation.	ALL_FILLS
Border			
border/primary	neutral/dark/60 · #2C2C39	The default border used on most containers that are not interactive.	STROKE_COLOR, EFFECT_COLOR
Controls			
controls/background/binary-off	neutral/dark/70 · #1F202D	Used for binary form controls: Checkbox, Radio, Toggle, etc.	ALL_FILLS
controls/background/binary-on	primary/50 · #8000FF	Used to show a binary input as active. Applies to Toggle and Checkbox. We currently use a white shade	ALL_FILLS
controls/background/disabled	neutral/dark/70 · #1F202D	The background for form controls in a disabled state.	ALL_FILLS
controls/background/error	system/coral-red/50 · #FB3640	The background fill for a control in an error state.	ALL_FILLS
controls/background/hover	neutral/dark/70 · #1F202D	The background for form controls in their hover state.	ALL_FILLS
controls/background/input	neutral/dark/80 · #121320	Used for input fields of text. Text Input, Search, Dropdown, Textarea, Email, Password, etc.	ALL_FILLS
controls/background/inverse	neutral/light/5 · #FBF9FF	—	ALL_FILLS
controls/border/default	neutral/dark/60 · #2C2C39	The default border color for form controls.	STROKE_COLOR, EFFECT_COLOR
controls/border/disabled	neutral/dark/60 · #2C2C39	The border color for form controls in a disabled state.	STROKE_COLOR, EFFECT_COLOR
controls/border/error	system/coral-red/50 · #FB3640	The border color for form controls in an error state.	STROKE_COLOR, EFFECT_COLOR
controls/border/focus	neutral/light/5 · #FBF9FF	The border color for form controls in their focus state.	STROKE_COLOR, EFFECT_COLOR
controls/border/hover	neutral/dark/50 · #393945	The border color for form controls in their hover state.	STROKE_COLOR, EFFECT_COLOR
controls/foreground/placeholder	neutral/light/80 · #9393FC	—	ALL_SCOPES
controls/placeholder	{direct} · #FFFFFF	—	TEXT_FILL
Feedback			
feedback/background/danger	system/coral-red/40 · #FF645E	The background color for danger/error banners or alerts.	ALL_FILLS
feedback/background/information	system/sky-blue/40 · #5ECAFF	—	ALL_FILLS
feedback/background/success	secondary/40 · #90FF50	The background color for success banners or alerts.	ALL_FILLS
feedback/background/warning	system/selective-yellow/40 · #FFC34	The background color for warning banners or alerts.	ALL_FILLS
feedback/border/danger	system/coral-red/40 · #FF645E	The background color for danger/error banners or alerts.	STROKE_COLOR
feedback/border/information	system/sky-blue/40 · #5ECAFF	—	STROKE_COLOR
feedback/border/success	secondary/40 · #90FF50	The background color for success banners or alerts.	STROKE_COLOR
feedback/border/warning	system/selective-yellow/40 · #FFC34	The background color for warning banners or alerts.	STROKE_COLOR
feedback/foreground/dynamic	system/selective-yellow/50 · #FFB80	For text and icons related to dynamic or in-progress statuses.	ALL_FILLS
feedback/foreground/information	system/sky-blue/50 · #00BFFF	—	ALL_FILLS
feedback/foreground/negative	system/coral-red/50 · #FB3640	For text and icons in error messages.	ALL_FILLS
feedback/foreground/positive	secondary/50 · #6EFF00	For text and icons in success messages.	ALL_FILLS
feedback/foreground/urgent	system/cadmium-yellow/50 · #FFF60	—	ALL_FILLS
Foreground			
foreground/disabled	neutral/dark/20 · #60606B	Used for disabled text and icons.	ALL_FILLS
foreground/dynamic	system/selective-yellow/50 · #FFB80	Used for foreground elements that dynamically update in real time, like line totals.	ALL_FILLS
foreground/inverse	neutral/dark/90 · #050614	Inverse color used for text and icons on our light inverse background color (often used for selected state	ALL_FILLS
foreground/negative	system/coral-red/50 · #FB3640	Currently used for inline error messaging [may be deprecated for /Feedback]	ALL_FILLS
foreground/pickem	primary/50 · #8000FF	Reserved for foreground brand fills and other larger elements (i.e., no text)	ALL_FILLS
foreground/pickem-subtle	primary/30 · #B56EFF	Foreground brand color used for text and icons.	ALL_FILLS
foreground/positive	secondary/50 · #6EFF00	Often used to show positive text related to monetary values.	ALL_FILLS
foreground/positive-subtle	secondary/20 · #C3FF9C	—	ALL_FILLS
foreground/predict	system/ocean-teal/50 · #41BDC0	Reserved for foreground brand fills and other larger elements (i.e., no text)	ALL_FILLS
foreground/primary	neutral/light/5 · #FBF9FF	Used for all elements that sit on top of containers and backgrounds. Often reserved for text and icons.	ALL_FILLS
foreground/secondary	neutral/light/40 · #C7C6CE	Used for supporting text with less emphasis.	ALL_FILLS
foreground/tertiary	neutral/light/80 · #9393FC	For tertiary-level text, such as helper text or metadata, that should be least prominent.	ALL_FILLS
foreground/urgent	system/cadmium-yellow/50 · #FFF60	[Needs to be re-evaluated]	ALL_FILLS
Status			
status/foreground/new	system/magenta/50 · #FF3EA5	The text/icon color for highlighting new items or statuses (notifications).	ALL_SCOPES
